Personal CD Player

Model CD102

THE SIGHTS & SOUNDS OF EDUCATION

Califone® understands CD players made for occasional home use won't last as ones intended for day-in and day-out school uses. That's why our CD102 is made using shatterproof ABS plastic for safety and durability with features that support language learning programs so students of all abilities can study at their own pace.

1. CD skip backward button
2. Program button
3. Anti-shock button
4. LCD display
5. Mode button
6. CD stop button (power off)
7. CD play/pause button (power on)
8. Hold switch
9. CD skip forward button
10. Bass boost switch
11. Volume Control
12. 3060AVS Ambient Noise-Reducing Headphone

- AC/DC operation for indoor / outdoor capability
- One year warranty for school use - unlike CD players purchased from consumer electronics stores whose warranties would be voided if used in schools
